

SHAPING TOMORROW

A **PLAYBOOK** for Coaching Leaders in Sustainable Decision-Making and Policy

KEY MESSAGES

1. Coaches and change-makers
Turn climate talk into climate action.
2. Who says you can't influence politics?
Learn how to coach leaders toward a sustainable future.
3. Climate change means real action
Here are the tools to make real change happen.
4. Join the change you want to see
Become a climate coach who empowers political leaders to make sustainable choices.

***Your coaching can shape policies
for a sustainable future.***
